A Note on Alcohol

The Inn on Negley does not have a liquor license and cannot legally sell alcoholic beverages. We are happy to serve your guests Mimosas or Bloody Marys, provided you bring your own alcohol. We'll take care of the rest! Mixers and service incur an additional charge of \$3.50 per person.

Detailed Event Proposal

Upon receiving your deposit, and after working with our events coordinator, you will receive a written proposal detailing the terms and estimated costs of your event. Upon review, simply notify us of your agreement, and we will proceed with preparations for your event!

Other Costs and Considerations

Official Guest Count

Menu ingredients are purchased on an as-needed basis from reputable local vendors and prepared fresh especially for you and your guests. *One week prior to your event, you will be responsible for confirming an official guest count.* Purchases will then be based on that count and cannot be readjusted. If your guest count decreases after this, you will still be charged for the official count.

Space Requirements

A minimum of 20 guests is required to rent the first floor. Should you rent the first floor and your guest count drop below 20 guests, you have two options: 1. Rent only the Fernwood dining room, with the additional cost from the first floor rental applied to the final balance of your event, or 2. Keep the first floor for your private use and pay for 20 guests, regardless of your final guest count.

Service

Smaller events can be easily managed by our innkeepers and chefs, and your room rental includes one server and one chef. *Groups larger than 12 will require an additional chef and server at a flat rate of \$150 per staff member.* A bartender is also available by request at the same rate.

Table Settings and Decorations

We have a variety of linens and floral displays that our Innkeepers will be happy to show you if you have something particular in mind, but most guests choose to sit back, relax, and have us take care of the details. You may also choose to bring your own flowers and decorations. If you like, we can recommend a reliable linen rental service or florist and help to make arrangements with them.

In addition, we ask that you are kind to the house when considering your decorative needs. Great care has been given to preserve the Inn in its original condition, so please let an innkeeper help you if something needs hung up or pulled down.

Parking

Parking at the Inn is reserved for our overnight guests, though there are often spaces available for guests with mobility issues or those bringing multiple packages. Additional parking is available two blocks from the Inn, and may be arranged with prior notice for a fee of \$60.

Payment

One week prior to your event, when you confirm your guest count with our Event Coordinator, you will receive a final invoice detailing all charges. Payment is due in full on the day of your event.

Payment can be divided among a few people, but *we cannot provide separate checks for your entire party. If you wish for your guests to pay for themselves individually, it is your responsibility to collect payment and present it in full.*

Gratuity

For parties of 8 guests or more, a 20% gratuity will be added to your final invoice and divided among the entire staff. You are welcome to adjust this as you see fit.

Cancellations

If you need to cancel, please let us know 10 days in advance, to avoid forfeiting the event rental fee.

Special Requests & Exceptions

We are a small business with an experienced staff dedicated to all of our guests. While we cannot promise to accommodate every special request, we are happy to try. Whether you are working with a budget or have ideas outside of what is described here, please feel welcome to discuss the possibilities with our innkeepers and event coordinator.
